!
Say what ???
You have enough power as a human to act out your vengeance
Accept the "power" to revenge these devil worshippers?
You
But
It s not only that

That s why you gave up be ng human !!
For you to escape from yourself
Actually
You accepted it for you to escape from your tormented heart
You are still one weak human

......
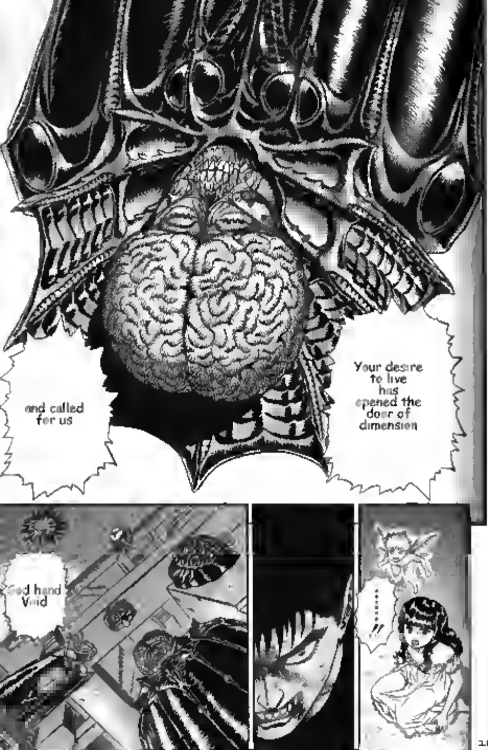
Grif fith

(Griffith!)

Griffith?
......
......!!
You are being sacrificed again ???
You ..

what .
what did you say?
W wait ..!!
!

The chosen one of the circle of karma.
!



Your desire to live has opened the door of dimension
and called for us
......!!
God hand Void

Please revenge for me
My desire s the life of that man
The desire that opened th s dimension space is your will to live and th fear of deatg .. not your vengeful thought to this man
W !
why
We can not do that
But he s the black swordsman who killed many of your apostles .. he should be your enemy
We came here to grant that desire to you-- chosen one

enemy
!?
......!!
No matter how many apostles died, it won't affect us at all
Black swords-man ???
......!!

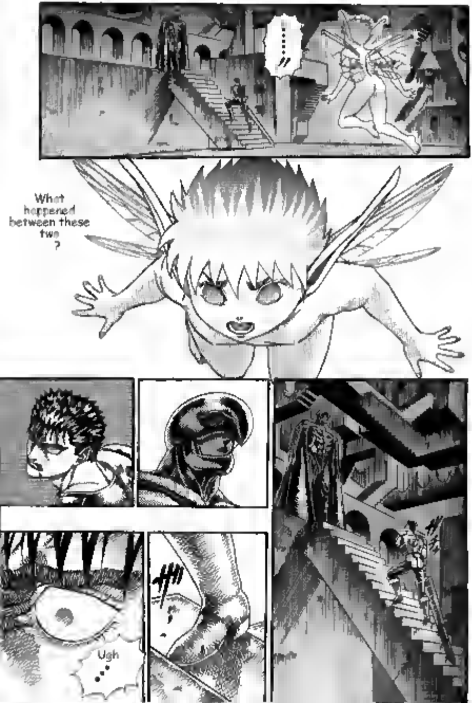
He s just one useless man
ガ…

あああああ

He he
Wounded like that
But still able to stand
interesting
!
Quite amazing
Gutts
Has strong will and great fighting mind
strong Vengeful feeling
To God hand Femto allows him to be able to stand
because Femto is the one who branded him
How long can he stand ?
But ...

useless ...?
funny ...
You can stand til today because of this useless man
Because I fought with the deads
Because I was sacrificed in the pool of blood

So you can stand above human over there
Griffith !!!!
Yes
You are good only as a sacrif ce
.....!!



......!!
What happened between these two ?
Ugh ...

うおおお!
You know how your brand react to us demons
......!!
You fool ...!
Gutts!

For small ghouls you might feel like small needles prick you
The pain grows for the more evil demons
...
You m ght feel the pa n unt l you die !!!
and if that demon is too powerful
That s the closest you can get

This is the end
Gutts

ガあああ
Ahhhhh

Oh
!?

You have great fighting will I can t believe you st ll have power to swing the sword
Probably uncon scious now
Gutts
So great !!!
Not only that
He s probably dead
Especially after fighting with the count
But he wasn t chosen by destiny
If that man can join us too... that ll be .... amazing
Gutts
He can t be one of us

ts
......
Although un ntentional
You re probably please r ght count?
......!!
yes
Thankyou so much
Enough play ng around

The "appointing a demon" ceremony shall begin
Count
Where's your sacrifice?
How about the black swor
!

He was once a sacrifice
W-why?
You can't use that
And he is merely your enemy
And when you sacrifice
A sacrifice can't just be any flesh and blood
It has to be someone dear to you.... someone who's part of your heart
You'll be cut from humanity

And the evilness will posess your mind
Part of his
or
W–
what is that thing ?
!

Count
Cut your love now
..

Wait a minute my lord
Please No
...
No
I can sacrifice anyone but Theresia
Just do t like last time
Don t be indecisive
...!!
really?
f it s not a person ike that t s useless

Last time ?
Oh .. no ..
The little lady don t know what her dad had done?
ok I ll tell you
Wait ..
Don t tell
her
!

I open up the time dimension a bit
Th s is ?
Th s s the count 7 years ago more handsome then

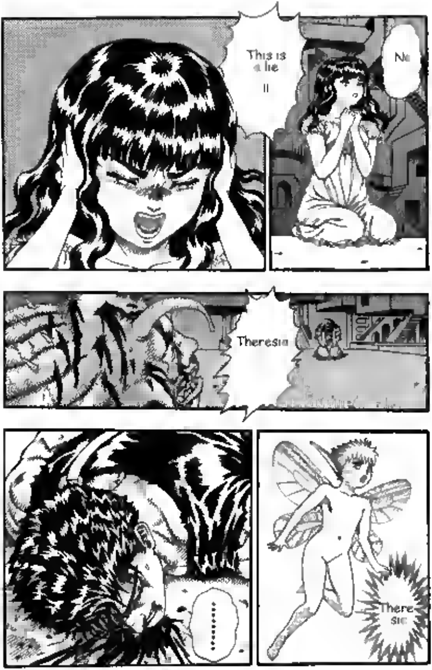
Look. It s you and your mother
And
Mother
What a wonderful family
An honest husband and a beautiful wife

Only f you look from the utside
Ne
At that t me an ev l rel gion was spreading n the count s land so he was too busy killing the heretics. and doesn t have much time n the castle

And that day
After an exhausting day in his duty to get rid of these heretics
The count hurried back to see his wife and daughter
Please stop
And at that time—
やめろおお

It was quite a sight
The ocean of naked bodies moving in heat... In the middle was a statue of Goat head

And there was a body of a lady hugging that statue tightly
With a face full of pleasure
it's the body of his beloved wife



This is a lie !!
No
Theresia
....
There sia

ウオ！オ…オオ

The count was mad
After he gained his conscious The place was filled with blood and dead bodies

No
やめて
え
え

Yes... you can t cut someone who s clase to you
Push you inta the pit of hopeless-ness
And the sm le like a winn ng betrayer
Was under the wheel of destiny
But
In that hopeless moment
To escape from your hopeless ness
You thought of killing yourself

Your cry that not even a God can help had open the door of dimension

You said
God!? or Apostle of Devil
Anyone who can help me escaping from this torment I'll do anything
And we promised you
We'll give you the body that not even torture of hopelessness can bother you
Just a word
Exchange for one word

Yes you said it
That you will give that lady s body
as a sacrifice
You gave your love s life to bury your
weak human soul

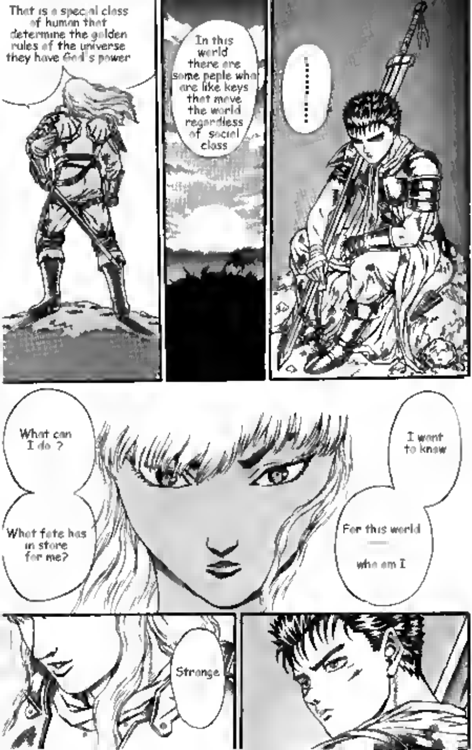
So you can be someone above all human

Go ahead ...
take that body
so your
wish will
be fullfiled
Ah
.
Ahhh
:

Hey look a guy
Make my right arm able to move
Theres
hurry up
Do it now

Hey you dead yet?
Well almost
ベルセルク
Damn
You are pretty tough
Here

Can you die for the merciful God?
Nonsense
In the battle field like this a soldier's life is worthless
More than half of human's life on earth belongs to those kings and lords
But.... even a king can't live like he wants to
everyone is trying to survive this big river
called destiny
and everyone vanishes
when one reaches the last moment of life
he/she won't even know who he/she is



That is a special class of human that determine the golden rules of the universe they have God's power
In this world there are some peple who are like keys that move the world regardless of social class
......
What can I do ?
What fate has in store for me?
I want to know
For this world — who am I
Strange

You are the first person I talk like this to
At that time, I see him as someone high up and so graceful
ベルセルク

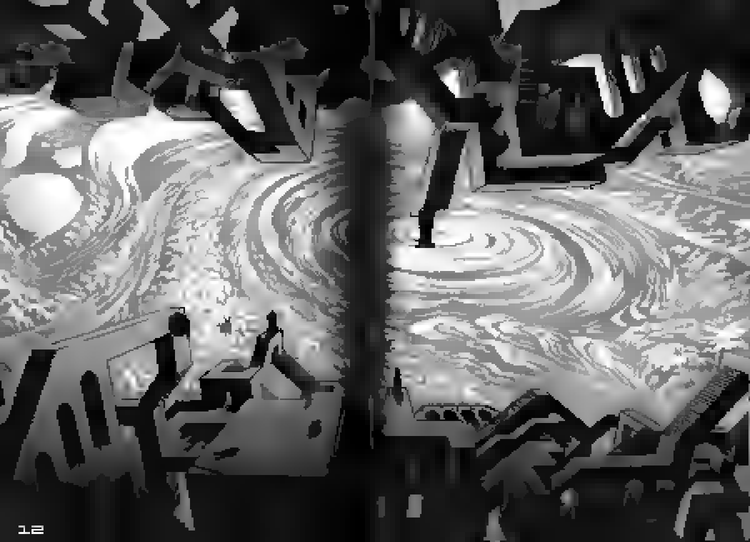
An great ocean of minds
A large evil-ness
ゴゴ
ゴゴ
ゴッ
Almost like it contains all evil in this world



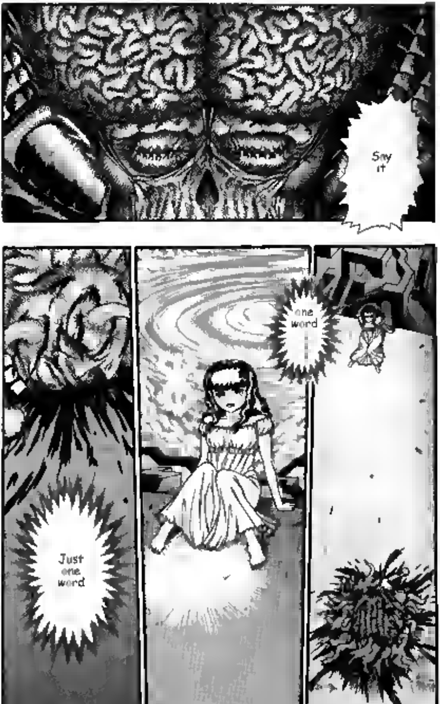
This is
Yes count
eventhough a small one
But this is
Hell
......!!

Your body will not be able to stand that
You w ll become one with the black ocean of souls like a drp of water in a vast ocean
And you ll be burried in the darkness forever
Count your life force is very much the same like those devils
Though your body might be destraye your soul will be sucked in t hell, that's f sure

People who involve with demons
This is the fate of those who involve with demons
That means ......
Gutts else ...!?
...... !!

......!!
You have 2 choices
Count
To be reborn as a demon
Or let those demons swallow you
and take you to the nothingness

Just one word
Just say "you'll give your daughter as a sacrifice"
And that brand will appear on her body
She will become the devil's property
!



Say it
one word
Just one word
